A good answer covers all three points. Example: *Hi Sam! Take bus 5 to the park. My house is the blue one next to the café. Come at 3 o'clock. We can play video games and make pizza. See you! An*

Tip for parents: Check that your child answers all three points in the message. That is the most important thing.
Gợi ý cho phụ huynh: Hãy kiểm tra xem con đã trả lời đủ cả ba ý trong tin nhắn chưa. Đây là điều quan trọng nhất.
